Use of the parts list
This document is meant as a reference book to be used to order parts for the wheelchair that is shown on the front cover.
This pricelist will replace all previous price list versions. We reserve the right to change price modifications and in corrections.

How to order
When ordering parts, please specify:

- Serial number (see the identification plate).
- Article number.
- Number of parts required.
- Description (in the relevant language).
- Dimensions (if applicable).

Remarks

- If a part does not have a position number, the part concerned cannot be purchased separately. The part concerned is part of the assembly shown. This assembly must be ordered as one piece; it must be replaces in its entirety.
- Boxed position numbers refer to the relevant drawing.
- All prices in this manual are in Euros.

Explanation of symbols
☒ Old model, not available.
☑ Current model, available.

Ordering Address
Please e-mail or fax your orders to your supplier.

All orders and agreements are subject to the most recently registered general terms and conditions of sales filed with the registry of the court of 's-Hertogenbosch on March 1st 2011 under number 20/2011. Terms of conditions other than those referred to above are not acceptable and hereby explicitly rejected.

Service technicians
Repairs may only be carried out by or under the supervision of trained and authorized serve technicians. During the executions of the work, they are at all times fully responsible for the fulfillment of locally applicable safety guidelines and standards and for het accuracy and completeness of the work. Temporary employees and persons in training may only carry out repair and replacement work under the supervision.

Only ordered parts that are returned within one month from invoice date, undamaged and in the original packaging, can be credited.
